Company history/background

- We are a company of wood artisans with a history of over 100 years that has been passed down from fathers to sons.
- Our facilities consist of 4,000 m2 of warehouses on 28,500 m2 of urban land (not in an industrial park), located in 03460 Beneixama (Alicante).
- Our specialization has always been the manufacture of small desk furniture and decorative items aimed at the most elite markets in Spain and Europe.

- Currently we only work with foreign clients, having active reference clients such as “Manufactum” in Germany or “David Linley” in the UK.
