Company history/background

It concerns a renowned Merchandise Concept company that has been active for many years in the Netherlands, as well as in various other countries around the world where there is demand for the company's specialized services and products.

This Merchandise Concept company designs and produces a wide range of products for various and diverse clients, in the broadest sense of the word.

Unique selling points

The company is characterized by its high level of service, quality, and fast delivery times, supported by a highly dedicated team that consistently makes this possible together.

Other

The owner is offering the company for sale in order to focus more on his other business and to spend more time with his family. Naturally, the current owner will ensure a thorough and well-structured transfer of the business.

This company may be a suitable opportunity for:

- An industry peer looking to expand its market area;
- An MBI candidate.
