Company history/background

We offer a wide range of agricultural and arable land throughout Romania, ranging from plots of 20 to 2,000 hectares, as well as complete farms, with or without irrigation facilities.

These lands are ideal for subsidy eligibility and represent a valuable investment for the future. All plots come with complete cadastral documentation. We are a Dutch real estate agency based in Romania.

With our office located in the heart of Romania, in Braşov, we are ready to provide you with all the necessary information. For further details or questions, please feel free to contact us via the response button. We will be

happy to assist you.
