Company history/background

This care service company, which has been successfully operating in the market for over 20 years, provides various forms of outpatient care. In addition to services covered by health and long-term care insurance, these also include support services and a home emergency call system.

Among the company's strengths, besides its highly experienced and patient-focused team of over 50 employees,

are the reliability and high quality of its services. This is reflected in its excellent reputation. The referral rate from satisfied customers is high.

Unique selling points

In addition to an informative website where interested parties can view information and current offers, the acquisition and close contact with customers is ensured by the owner as well as by the PDLs.

Other

Since the continuation of the existing company is a basic requirement for the sale, the purchase is equally suitable for strategic investors and professionally qualified private individuals.
