**Company history/background**

Founded 2016, the entity retains its original two founders and has added further 4 full-time employees. Currently the owners are seeking to either partially or fully sell the entity, depending on the investing party.

The entity has been predominantly active in Performance Marketing for games. In the last few years it has also branched out into TV deals and PR.

## Unique selling points

The entity focuses on high quality products and enjoys high customer retention and satisfaction. Many customers have been with the entity for years.

## Other

The entity enjoys stable and growing revenues, with very healthy gross and net margins.
