Company history/background

The car workshop has been a well-known name in the region for fifteen years. We are a service-oriented auto repair business that performs repairs and MOT inspections on all makes and models of cars. With our years of experience and passion for the trade, we ensure that your car remains in top condition at fair prices. We enjoy a high level of customer trust, which keeps our schedule full and our business thriving.

We have also expanded into car sales and rentals to strengthen our offering as a mobility provider. In addition to the garage, sales, and rentals, we also have an online shop for car accessories available for

purchase at an additional cost.

Our Services:

- Maintenance
- Repairs
- MOT Inspections
- Car Sales & Rentals

Unique selling points

What sets us apart from other garages is our personal service. We listen to your needs and ensure that your car is repaired or maintained to your complete satisfaction. Our mechanics are highly trained and have years of experience in the automotive industry, allowing you to rely on professional and trustworthy service.

Other

We have two experienced mechanics and two younger mechanics, creating a well-balanced team. Additionally, we have two front desk employees, who rotate in supporting roles alongside the owner, handling tasks such as sales, rentals, and administration.

The company has great potential, with a strong reputation in the region and recently implemented automation.

Ideal Buyer Profile:

- An experienced mechanic or workshop manager looking to start their own business
- An entrepreneur seeking to expand with a new location

This location can remain a profitable business for many years to come.

The seller is also open to an MBI candidate, seller financing, and potentially a partial acquisition.
